

The Delights of Summer: A Blueberry Retreat at Blueberry Brooke

It is the time of year when the sun, hung at its height, warms the bricks of the terrace and the wide rocks along the creek bed. The rooms are filled with that rare pale gold light that recalls us to the lushness of life and begs us out of doors to gardens in full bloom and blueberries, dark and sweet. Bring your loved ones for a long days of simple pleasures among the forest, fruits, and enchanting rooms of Blueberry Brooke. Chase fireflies as the sun sets or let your bare feet sink into the cool grass as you tell stories on the lawn, then retire under luxurious cotton sheets with your window open to the summer wind and the song of the field crickets. Wake early to watch the morning fog recede into the deep green wood or sleep late and rise when the sun has burned the dew from the berries and pick a bowl to accompany your gourmet breakfast. Add some as you churn ice cream, and take a goblet full to your picnic on the lawn or your barbeque under the star cluttered sky. Whether you spend your afternoons walking beneath the green boughs that canopy the old tow path, relearning the art of the daisy chain or listening to the garden waterfall as you read and sip iced tea among the archangelica on the back veranda, The Delights of Summer Retreat at Blueberry Brooke will charm, center and rejuvenate you.

*Then followed that beautiful season... Summer....
Filled was the air with a dreamy and magical light; and the landscape
