

PRESENT MOMENT PAINTING WORKSHOP

10:00 - 4:30 PM In this workshop guests reconnect with the luxuriant **on SATURDAY**, pleasures of color, shape and texture by engaging in **OCTOBER 13TH** Print Painting, a technique which utilizes improvisation and experimentation to ignite the creative process. Visionary artist and certified creativity coach, Virginia Palusky, demonstrates and leads guests in this simple yet profound method, which marries chance to choice in a practice so intuitive and relaxing that it can best be compared to dreaming while awake. Utilizing their hands, repurposed tools, subtraction painting, simple printmaking techniques, and lots of experimentation, guests will create surprising and original works of beauty and power. Liberating and playful, this is the perfect workshop for artists who want to enliven and strengthen their repertoire and anyone who wants to experience the pleasure of their creativity.
